Call to Worship

**L:** God we again gather to give your praise and to offer thanks for all of your loving acts towards us. Especially on this day do we come to salute those who through hard work, perseverance, and prayer have graduated from one level of academic excellence to another.

**C:** We believe that loving you with our minds is a good commandment to follow. Help us to always be committed to it individually and as a church family. Thank you that you touched the hearts and minds of so many of our young people.

**L:** Thank you for our schools and teachers who teach us to read and write to better understand your Word and to better serve You.

**C:** As we come to celebrate another graduating class, we will never education for granted.

**ALL:** We hope that you will impress upon all of this year's graduates that with each accomplishment comes responsibility. As they move to new chapter we pray that you would keep them committed to you and to bless their future paths. Amen.

Hymn of Praise: "Yes, Lord, Yes" Acq Worship Track #
