Song of Worship: "O How I Love Jesus" by CRC Worship

Call to Worship

L: We were not created to live stagnant lives. To be stuck, bound or broken.

P: We were created with a purpose, a calling, a mandate and a mission.

L: Even in these uncertain times, that calling remains the same.

P: To go into the world, make disciples and share the love of Jesus.

L: This is the work of Easter. The power of the resurrection in action.

P: What Jesus did has changed us, made us a new creation and given us an unimaginable hope.

L: So why keep all of that to ourselves?

P: It's time to put Easter in motion. To make a difference and share Jesus with the world around us.

L: If your life has been changed...your relationships and marriages need to be changed. It's time to get to work loving God and loving each other.

All: Amen
