### Call to Worship

**L:** God calls us to live into His strength, not ours. God is always calling us to do things we don't believe we can accomplish.

**C:** That's because without Him, we can't.

**L:** He calls us to do things like have impossible strength and courage because, at the end of the day, we have to realize that those were never things we were going to be able to accomplish on our own.

**C:** He calls us to step out into faith obediently, and trust that He is going to be there to put a firm path under our feet.

**L:** We start, but He is the one who accomplishes the mighty, powerful work in our life.

**C:** If there are two things that we are well acquainted with, it's weakness and fear.

**L:** We read over and over again in the Bible that when it comes to fear, there shouldn't be anything that we fear more than God.

**C:** God commands us to be strong and courageous; Do not be afraid; for He will be with us wherever we go.

**L:** He is our strong tower, our protector and He wants us to let our light shine! And all God's people say,

**All: Amen!**
